VOL N° 138 NOVEMBER - DECEMBER 2007

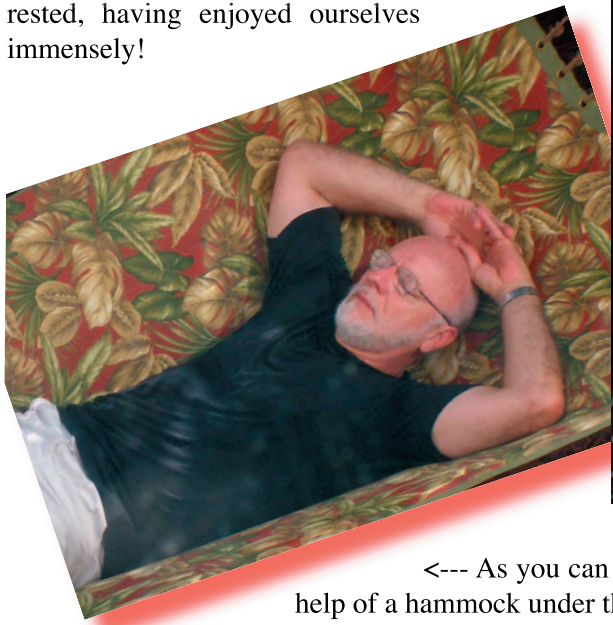

*Wishing you a very  
Blessed Christmas!*

Blaise Pascal wrote, "I have made this letter longer than usual because I lacked the time to make it shorter." I thought I'd save myself some time and make it short the first time! ☺ I need to be brief for several reasons:

1. You're already inundated with **enough Christmas mail** that you have to read without reading our letter, too!
2. We just got back from a long-awaited vacation to celebrate our **35<sup>th</sup> ANNIVERSARY!** We had **SUCH** a fabulous time we **almost** didn't come back! ☺

I was studying Jeremiah while we were gone and came upon the following verse: "I will refresh the weary & satisfy the faint." (31:25) We are so thankful to come back refreshed and rested, having enjoyed ourselves immensely!

<--- As you can see, Harry succeeded in putting work **totally** out of his mind with the help of a hammock under the palm trees!

3. We're **moving our office** this weekend, so I need to be packing boxes... after we decide what to include in the move and what to throw away.

We're only moving about half a mile down the road. For those of you who know the area, we're moving to the IFMA (now Cross-Global Link) building on Schmale Rd. We'll have a bit less space but nice big windows (the 2 upper left ones), in contrast to the windowless basement suite we've had for the last 8 years. We praise the Lord for this opportunity to share a building with other Christian organizations AND save a substantial amount of rent money!

Having **Josh** here to help with the move will be an added blessing. As you probably know, he is **ever** so good at hooking up computers, phones, and other office machines, as well as building new shelves in our new location. Of course we'll make sure to enjoy **Marlo, Maneesha** and **Nadia** during our free time!! **Having them here will make us even more thankful this Thanksgiving than we would be otherwise!!** 😊

*WE'RE SO THANKFUL FOR YOUR PRAYERS & SUPPORT!*

1. Pray for **Tamara** who finishes her contract in the Mediterranean Dec. 8<sup>th</sup>. We're looking forward to having her home for a few months!
2. Pray for **Rob & Priscilla, Taylor, Jesse & Cassie**. Rob is having trouble keeping his blood sugar balanced due to the fact that his two jobs are so different, require totally different levels of energy. They are seeking God's guidance as to the best solution.
3. Pray for **Josh & Marlo** as they raise **Maneesha & Nadia**. These adorable little ones are a handful and keep Marlo on her toes every moment they're awake!
4. Due to circumstances beyond our control, we are short on **financial support**. Praise God for the faithful supporters we feel so honored to have!

**HAPPY  
THANKSGIVING  
to all our American friends...**

*Harry & Marlo*
