Our tasks during the trip are generally manual labor. However, we will attempt to match personal skills with jobs to be done. Please list your personal gifts, passions, hobbies or skills. Any of them may be helpful to our missionaries.

I understand this is a mission trip for the purpose of helping produce Christian literature. I know that travel, health and accident insurance are my responsibility while I am on this trip. I release Bibles & Literature in French from all liability resulting from my participation on this Impression team.
